### About Ariba Network

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your customer relationships and supplier activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will be able to:

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

Moving to the Ariba Network allows you to log into a single location to manage:

- All your Ariba customer relationships
- All your event actions, tasks and transactions
- Your profile information
- All your registration activities
- Your contact and user administrative tasks
