1. Go to https://www.ariba.com/support
2. Select Supplier Support

What can we help you with?

→ Buyer Support

→ Supplier Support

→ Customer Hub

Whether you are a new customer or a seasoned SAP Ariba veteran, a buyer or a supplier, getting started or getting hands-on, we've got you covered. SAP Ariba Support is the one-stop-shop to empower you with resources in your ongoing engagement with SAP Ariba.

You can find information in the specific buyer and supplier support sections. In the Customer Hub, you'll find links to buyer support channels such as SAP Ariba Connect, SAP Learning Hub, and Quadrem Customer Support. Suppliers will find links to the Help Center, Ariba Network, and SAP Ariba Seller Commerce Consultants.

Lastly, if you are looking for an SAP Ariba partner to help you buy, implement, run, or support your SAP Ariba solution, we invite you to use our Find a Partner resource.

3. Select Login to use Help Center

Support is just a click away

→ Login to use Help Center

→ Reset your password

The Help Center is available whenever you visit or log in to Ariba Network. Access it via the panel on the right-side of your screen when you first open the Ariba Network page.

Frequently asked questions, video tutorials, support documentation, and more about the task you're performing are presented in a concise, easy-to-understand format. Choose in-application viewing or click to full-page display for access to additional resources, popular tags, and more. Keep the Help Center in mind whenever you are engaged in:

- Looking for sales leads
- Managing orders and invoices
- Participating in a sourcing event
- Creating proposals
- Collaborating on contracts
